Resiliency Rockstars: SBSD Transportation Staff and SBSD Kitchen Staff	<p>“The South Bend Kitchen staff has gone above and beyond in supporting our students and making sure they have their meals for the week. The cooks are one of the first people on school grounds every day and the love and dedication they put into their job is humbling and really captures the essence of South Bend's spirit. The cooks are always smiling and welcoming to the students and staff when delivering meals to classrooms and when helping manage the volunteers who deliver to houses. Without these ladies, our kids would go without and our school would have a little less light right now. On behalf of Road 2 Resiliency, I would like to recognize the South Bend Kitchen staff for all their hard work and congratulate them on being this month's Resiliency Rockstar. “– Kathryn Staats</p>
